Dear Mr. and Mrs. De Masi:

Thank you for your communication dated March 17, 2006, to the Commissioner for Patents at the United States Patent and Trademark Office (USPTO). Your communication has been forwarded to me for response.

Your letter is concerned with a patent application that you filed, serial number 10/773,872, and a patent application that was filed by a Mr. Romes. You state in your letter that Mr. Romes copied your invention.

A review of our electronic database indicates that your application is currently abandoned. A Notice of Abandonment under 37 CFR 1.53 (f) or (g) was mailed on April 12, 2006 for failure to reply to the Notice to File Missing Parts (Notice) mailed on August 16, 2004.

If a complete reply to the notice was previously filed by you within the time period set forth in the notice, you may request for reconsideration of the holding of abandonment within 2 months from the mailing of the notice of abandonment by filing a petition to withdraw the holding of abandonment under 37 CFR 1.181(a). No petition fee is required. The petition must be accompanied by a true copy of the originally filed reply and the item(s) identified in one of the following:

1. A properly itemized date-stamped postcard receipt (see MPEP § 503);
2. If the originally filed reply included a certificate of mailing or transmission in compliance with 37 CFR 1.8(a), a copy of the certificate of mailing or transmission and a statement in compliance with 37 CFR 1.8(b) (see MPEP § 512); or
3. If the reply was filed via Express Mail, a submission satisfying the requirements of 37 CFR 1.10(e) including, for example, a copy of the Express Mail mailing label showing the "date-in" (see MPEP § 513).

Any petition to withdraw the holding of abandonment should be transmitted by facsimile directly to OIPE Customer Service at (703) 308-7751.

If you did not previously file a complete reply within the time period set forth in the notice, you may file a petition to revive the application under 37 CFR 1.137.

Under 37 CFR 1.137(a), a petition requesting the application be revived on the grounds of UNAVOIDABLE DELAY must be filed promptly after the applicant becomes aware of the abandonment and such petition must be accompanied by:

1. an adequate showing of the cause of unavoidable delay;
2. the required reply to the above-identified notice;
3. the petition fee set forth in 37 CFR 1.17(i); and
4. a terminal disclaimer if required by 37 CFR 1.137(d).

See MPEP § 711.03(c) and Form PTO/SB/61.

Under 37 CFR 1.137(b), a petition requesting the application be revived on the grounds of UNINTENTIONAL DELAY must be filed promptly after applicant becomes aware of the abandonment and such petition must be accompanied by:

1. a statement that the entire delay was unintentional;
2. the required reply to the above-identified notice;
3. the petition fee set forth in 37 CFR 1.17(m); and
4. a terminal disclaimer if required by 37 CFR 1.137(d).

See MPEP § 711.03(c) and Form PTO/SB/64.

Any questions concerning petitions to revive should be directed to the Office of Petitions at (703) 305-9282.

Additionally, the USPTO does not investigate allegations of fraud. To whom it may concern,

There seems to be a problem between Mr. Romes along with Guarding Building Products and my self. I mailed by, UNITED STATES POSTAL SERVICE CERTIFIED MAIL ONLY and I have his signed recites, my information to Mr. Romes and Guarding Building Products a few years back, and just recently whiling I was surfing the web sites, I found the patent application filed by Mr. Romes and right away I saw on the front page, the flexible staple extra tab sides for the extra staple surface when needed,(my idea not his)So I started to read more of Mr. Romes patent application and to my surprise, all most the entire patent application I found to be so much of my own work that I sent to Mr. Rome, my ideas not his.

I'm very up set for the simple reason, that Mr. Romes called me many months after I first mailed all the information to him and he then told me that he nor Guardian Building Products were not interested in any and all of my inventions ,or ideas.

Now please understand, I first mailed all my work to your office, before his office by the UNITED STATES POSTAL SERVICE CERTIFIED MAIL ONLY and you received it with out any problems at all. I have all the recites that clearly proves this.

I feel that Mr. Romes copied most of my work, changing a few thing around a little and then he tried to pass it on as his own work, then he tried to have his work filed be fore my own, and he failed, there's only a (ten day difference in filing dates) And my invention and all of my work filed before Mr. Romes, (ten days before his) all any one would have to do, Is to look at the paper trail, phone numbers times and dates as well the UNITED STATES
